

Federal Reserve Bank of Kansas City Entry Level Bank Examiner

The Federal Reserve Bank of Kansas City offers many challenging and rewarding career opportunities in the financial services industry. The financial services industry is undergoing a dramatic transformation. Legislative changes and technological innovation in communications and information processing are reinventing the way banks and other financial institutions conduct business. As a member of the Federal Reserve team, you will be offered diverse assignments that will challenge you and develop your skills. Summer interns obtain professional work experience in a climate of success at the Federal Reserve Bank.

The Federal Reserve Bank of Kansas City has supervisory and regulatory authority over a wide range of banking institutions and activities within the Tenth Federal Reserve District. The Examinations and Inspections and Consumer Affairs departments work with other federal and state supervisory authorities to ensure the safety and soundness of banking institutions by assessing their financial condition, effectiveness of management oversight and compliance with laws and regulations. We also ensure the fair and equitable treatment of consumers in financial transactions by assessing compliance with federal consumer laws and regulations and investigating consumer complaints.

Key Activities Include:

- Travel to state member banks (up to 50%) with a team of examiners to determine if operations are safe and sound and in compliance with laws and regulations.
- Analyze state member bank's financial condition, evaluate operational and lending functions, assess compliance with laws and regulations, and review compliance with internal policies and procedures.
- Conduct meetings with bank management and prepare written reports of examination findings.

Required Education and Skills:

- Bachelor's degree in finance, accounting, economics or a related field.
- Strong written and verbal communication, analytical, and leadership skills.
- Demonstrates personal initiative and enjoys working in a team atmosphere.
- Proficient computer skills in programs including, but not limited to, Word, Excel, Internet, and e-mail applications.

Positions are available in the Kansas City, Oklahoma City, Denver, and Omaha offices. Please include location preference in your cover letter.
